From the Editor:

The creation of the 2014 Journal has been no less an interesting task than the prior years. Gathering the information from all of the sources takes team work and without that team this publication wouldn't be put together. I would like to offer my congratulations to all the new title holders. And to thank you all for sending in your pictures to be included in this yearbook. I would like to give special thanks to Sandy White for all of the memorials and ads, Flossie Barczewski for proofreading, Jackie Faust for proofreading and the printing, and Mike McLoughlin for the statistics.

I want to thank those members who were kind enough to send me pictures to include on the titles pages and the inserts where space was available.

I welcome any comments or suggestions you may have.

Enjoy this edition!

Betsy Greaves

President's Message

2014 Presidents Award Recipients Bob Kreis and Gale Mattison with Ken Edmonds, President

2014 was another good year for the TTCA. Our club continues to prosper thanks to the hard work of our members and dedicated volunteers. The club is in excellent financial condition. We continue to support Health and Rescue efforts with our club volunteers and the dollars we contribute to the Tibetan Terrier Health and Welfare Foundation. Our club along with member donations made major contributions to the new AKC Disaster Relief Trailer Program. Our contributions were significant to have the TTCA logo on two trailers and we are working on a third. This is quite an honor for our club.

The TTCA National was held in Loveland Colorado May 27-30. Elise Kind, Show Chair and her committee, The Rocky Mountain Tibetan Terrier Club hosted a great event. This is the fourth National that the RMTTC has hosted and each one has been a fabulous event that just seems to get better and better. We had many “first timers” who expressed their gratitude for the friendship and acceptance by our members. As a fitting tribute to the National that followed Memorial Day, the 2014 National was dedicated to all military service dogs.

Not to be overlooked, we had a very successful Regional Specialty in Bear Delaware on April 26 chaired by Flossie Barczewski and Lynne Fardell. We hope to have additional Regionals in 2015 and beyond.

The AKC Good Sportsmanship Award is an award designated by the AKC to member clubs to award annually to the member who best exhibits the true essence of Good Sportsmanship. This is a Board selected award. This year we had a situation like none I have ever experienced in the TTCA and the designees were so obvious there was no discussion on their nominations. One of our members unfortunately had a severe life threatening health event at a dog show this spring. Paul and Cindy Douglas were immediately by her side. The member was taken to the hospital in York PA. For the next number of weeks that became months, two couples-Ron and Margy Pankiewicz and Cindy and Paul Douglas took turns staying constantly at the bedside. Both couples were awarded the Good Sportsmanship Award. I have never seen 4 more deserving recipients.

The President's Award is one of the highlights I have enjoyed for the last 5 years. There are so many deserving members that selecting the recipients is an almost impossible task. However, this year I could not leave office without recognizing two members whose contributions and service to the club are outstanding. On a personal note, they are both valued friends and have provided invaluable counsel to both me and the Board since I became President.

Gale Mattison joined the TTCA in 1983. He served on the Board in 1987-89, and has currently been a Board member since 2008. Gale is active in two all-breed clubs, served as the State Financial Officer of Connecticut and is a Board member of numerous major public and community organizations. He has bred and currently exhibits TT's

Gale has provided not only strong and expert financial guidance to the Club, Board and myself for the last five years but also brings a strong positive, charitable leadership quality. The TTCA has been extremely fortunate as have I during my Presidency to not have one "iota" of a worry about finances.

We have the best treasurer and leader that any club could possibly have and the 2014 President's Award was presented to Gale Mattison.

I could not leave office without recognizing two members. My second Presidents Award this year goes to a truly outstanding, accomplished

and invaluable member, friend and counselor. Bob Kreis has served this club in so many ways, I could never list them all. Not only is he a devoted lover of the Tibetan Terrier and volunteer without equal, he has donated his considerable professional skills to serve our club in significant ways that few if any could.

- Bob is a past President of the TTCA.

- He founded and organized the Tibetan Terrier Health and Welfare Foundation.

- He is a founding member of the RMTTC.

- He founded “Healing Partners”, a non-profit visiting dog program.

- He has chaired multiple National and Regional Specialties as well as chaired his All Breed Club Shows for many years.

- He co-chaired the TTCA World Congress.

- He has exhibited TT's.

- He is an Internationally recognized and published expert in Maritime law

- He is a practicing attorney for over 60 years.

Bob has been a constant and valued counsel to not only myself but to the Board as well. I can't imagine the last 5 years without him!

The 2014 Presidents Award goes to Bob Kreis!

On a sad note we were advised two days after the National that Dana Wray passed away. Dana was counting on coming to National. He was the stalwart of TTCA Obedience, a great member and a great friend. He is missed

On a personal note, I am retiring after 5 years of serving as your President. It has been a great 5 years and I am more than fortunate to say that the overwhelming support I have had from the membership and our fabulous volunteers not only made my tenure pleasurable, but I feel we have developed a “team spirit” that was instrumental in what has been accomplished. Like many organizations, one or two persons can rarely accomplish what needs to be. I have said many times over and over, it is our selfless volunteers that make this club work.

Thank You,

Ken Edmonds

Minutes of the Annual Board Meeting
Embassy Suites Hotel, Loveland, CO
May 27, 2014

The meeting of the Board of Directors of the TTCA was called to order at 8:47 a.m. by President Ken Edmonds. Those present were Florence Barczewski, Gale Mattison, Elise Kind, Janet Slothower, Claire Coppola, Karen Sponable, Sheryl Getman, David Murray, and AKC Delegate Stacey LaForge. Betsy Richards was on the phone and Mike McLoughlin was absent.

- Ken began by calling for the reading of the minutes of the last Board Meeting. Gale moved to waive the reading of the minutes and Flossie Barczewski seconded. The vote was unanimous to waive the reading of the minutes.
- Janet Slothower, corresponding secretary, stated she had sent cards to Brenda Algar and Robert Hennings, who had both been ill.
- Elise Kind, recording secretary, had nothing to report.
- Gale Mattison, treasurer, stated that the national specialty in Greensboro had turned out well, because of the strength of the auction. Right now the club has a little more than \$90,000 in the treasury. Janet Slothower moved to accept the treasurer's report and Karen Sponable seconded the motion. The motion carried by unanimous vote.
- Stacey La Forge, AKC Delegate, reported that delegates would be voting on removing exclusions in the delegate by-laws and thus opening the delegate body to more people. Clubs having special attractions, such as Best Veteran, must now have the owner handler category all days of the show. Lastly, the AKC is still raising money for the AKC REUNITE disaster trailers for each state.
- Margy Pankiewicz, chair of judges education, explained that the responsibility of this committee is to train judges. The big expenses of this committee is for printing booklets and postage.
- Janet Slothower presented all of the other committee reports submitted by the chairpersons.
- With respect to the AKC Gazette Columnist, Andrea Reiman would like to recruit others, who have expertise in different areas, to write breed columns.
- With respect to the Audit Committee, JoAnn Gatzzen states that the 2012 audit in 2013 was completed for 2012.

- With respect to the Breeder Referral Committee, Diane Wagner wishes to set up a recognition program for long term members. This year the committee created a logo for members to use.
- With respect to Electronic Media, Sandy White would like to give the website a new updated look. Last year Ms White established a new store with a shopping cart and added a Membership Renewal Form among many other things.
- With respect to Breeders Education, Anette Ohman invited Dr. Suzanne Hetts to speak at the 2014 Breeders Education seminar and is preparing for the 2015 breeders education seminar.
- With respect to Futurity, Claire Coppola is the new chairperson for this committee.
- With respect to health and genetics, chairperson Stacey La Forge states that the committee has interacted with researchers on various health issues, including pituitary dwarfism, PRA, and cancer.
- With respect to Facebook social media, chairs Sheryl Getman and Brenda Brown, state that the social media is used often for announcements and information.
- With respect to TTCA archives, chair Stacey La Forge has compiled and filed documents and endeavored to fill “holes” in the Archives.
- With respect to the Newsletter, chair Elise Kind, would like to begin sending the newsletter by email to those who have email and continue to send the paper copy to those who do not email.
- With respect to membership, Jean Allen states that TTCA has gained 31 new members and lost 20 members. Jean is requesting a new chair be appointed for next year.
- With respect to rescue, Camille Manfredonia has asked for help in developing a database to track all rescue dogs. Amy Soderman will develop a database with Camille’s help to make rescue paperwork easier. Sheryl Getman made a motion to form a rescue oversight committee to help Camille. The motion was seconded by Flossie. The vote was unanimous. The TTCA president, treasurer, and Janet Slothower will comprise the committee.
- With respect to the good sportsmanship award, Janet Slothower moved that it should be presented to Margy and Ron Pankiewicz and Cindy and Paul Douglass for their unwavering help in Brenda Algar’s recovery. The motion was seconded by Karen Sponable. The vote was unanimous.
- With respect to the legislative committee, Ron Pankiewicz kept membership informed on pending and enacted canine legislation. He took part in two conference calls on proposed APHIS rule changes and helped formulate the

TTCA response. Ron would like to expand information resources and update the mailing list

- With respect to meet the breeds, Mike McLaughlin has nothing to report.
- With respect to performance, the committee is looking for a chair.
- With respect to the procedural committee, the committee will continue.
- With respect to the statistics, Claire Coppola will become the new chair.
- With respect to the national specialty show, there will be a transition from Karen Sponable as national chair to Gale Mattison as chair. Janet Slothower made a motion that the 2016 specialty will be managed by the TTCA board of directors. Each board member will be in charge of part of the specialty, such as trophies or dinners. Betsy Richards seconded this motion. The vote was unanimous. Lastly, David Murray made a motion that the 2016 national specialty will be in Bear, Delaware on April 25th. Flossie Barczewski will chair this event. Gale Mattison seconded this motion and the vote was unanimous.
- With respect to the TTHWF Board, David Murray moved that Brenda Brown, Joyce Killinger, and Cindy Douglass be appointed to this board. Janet Slothower seconded this motion and the vote was unanimous.
- The last business of the TTCA Board was the approval of a supported entry at the North Branch, New Jersey at the nonsporting show. Karen Sponable moved and Janet Slothower seconded this activity. It was a unanimous vote.

At this time, 4:45 p.m., the board recessed and would reconvene Friday evening.

The Tibetan Terrier of America board reconvened at 9:55 p.m., on May 30, 2014, at the Embassy Suites Hotel.

The first task was to appoint a nominating committee for the 2015 election.

**Tibetan Terrier Club of America
Annual Meeting
May 30, 2014
Embassy Suites Hotel Loveland, CO**

The 2014 annual meeting of the Tibetan Terrier Club of America was called to order, by President Ken Edmonds, at 8:30 p.m. when Recording Secretary Elise Kind stated there was a quorum of eligible, voting members present.

The first order of business was the reading of the minutes of the 2013 annual meeting. Gale Mattison moved and Janet Slothower seconded that the reading of the minutes should be waived. The vote was unanimous so the minutes stand as were printed in the September, 2013 newsletter.

Ken began the meeting by stating that the club is doing well with a steady membership and financial strength. At this point, Ken introduced the board of directors. Janet Slothower, corresponding secretary, stated there are 415 members in TTCA.

Next Gale Mattison said that the club is in good financial shape. Gale told the audience that the auction for the 2015 nationals had taken in \$5100 and that the specialty would be May 18th thru the 22nd in Boxborough, Massachusetts.

Lastly the TTCA is looking at having the national specialty at the Eukanuba site in 2017.

Pat Tempest, specialty conformation judge, explained what she was looking for and saw in the TTs she judged. The Tibetan Terrier is a moderate dog that should maintain it's shape, outline, and head carriage when gaing. She commended the participants on the dogs wonderful coat presentation. Her last remarks were on mouths. A wider mouth will help the alignment of the teeth.

Margy Pankiewicz urged breeders to nominate their litters for futurity and participate in this important event.

Flossie Barczewski announced the awards for all dog events.

Next Stacey LaForge explained the AKC Reunite disaster trailer fund raising activity. She reiterated the fact that most pet owners do not want to leave their animals in times of disaster. These trailers with their important supplies can help people keep their pets with them.

The Board awarded the Good Sportsmanship Award to Margy and Ron Pankiewicz and Cindy and Paul Douglass for their unwavering help and friendship when member Brenda Algar became ill.

Lastly the President's Award was presented, by Ken, to Gale Mattison and Bob Kreis.!

At this point Ken called for any old business. There was none.

He next called for any new business and again there was none.

The annual meeting adjourned at 9:35 p.m.

Elise Kind*

Tibetan Terrier Standard

Approved by the AKC on March 10, 1987

The Tibetan Terrier evolved over many centuries, surviving in Tibet's extreme climate and difficult terrain. The breed developed a protective double coat, compact size, unique foot construction, and great agility. The Tibetan Terrier served as a steadfast, devoted companion in all of the owner's endeavors.

General Appearance:

The Tibetan Terrier is a medium-sized dog, profusely coated, of powerful build, and square in proportion. A fall of hair covers the eyes and foreface. The well-feathered tail curls up and falls forward over the back. The feet are large, flat, and round in shape producing a snowshoe effect that provides traction. The Tibetan Terrier is well balanced and capable of both strong and efficient movement. The Tibetan Terrier is shown as naturally as possible.

Head:

Skull - Medium length neither broad nor coarse. The length from the eye to the tip of the nose is equal to the length from eye to the occiput. The skull narrows slightly from ear to eye. It is not domed but not absolutely flat between the ears. The head is well furnished with long hair, falling forward over the eyes and foreface. The cheekbones are curved but not so over developed as to bulge.

Muzzle - The lower jaw has a small amount of beard.

Stop - There is a marked stop but not exaggerated.

Nose - Black.

Teeth - White, strong and evenly placed. There is a distinct curve in the jaws between the canines. A tight scissors bite, a tight reverse scissors bite or a level bite are equally acceptable. A slightly undershot bite is acceptable.

Eyes - Large, set fairly wide apart, dark brown and may appear black in color, neither prominent or sunken. Eye rims are dark in color.

Ears - Pendant, falling not too close to the head, heavily feathered with a "V" shaped leather proportionate to the head.

Faults - Weak pointed muzzle, any color other than a black nose. Overshot bite or very undershot bite or a wry mouth. Long narrow head. Lack of fall over the eyes and foreface.

Neck and Body:

Neck - Length proportionate to the body and head.

Body - Compact, square and strong, capable of speed and endurance.

Chest - Heavily furnished. The brisket extends downward to the top of the elbow in the mature Tibetan Terrier.

Ribs - The body is well ribbed up and never cloddy or coarse. The rib cage is not too wide across the chest and narrows slightly to permit the forelegs to work free at the sides.

Loin - Slightly arched.

Tail - Medium length, heavily furnished, set on fairly high and falls forward over the back, may curl to either side. There may be a kink near the tip.

Forequarters:

Shoulders - Sloping well muscled and well laid back.

Legs - Straight and strong when viewed from the front. Heavily furnished. The vertical distance from the withers to the elbow equals the distance from the elbows to the ground.

Feet - The feet of the Tibetan Terrier are unique in form from among dogs. They are large, flat and round in shape producing a snowshoe effect that provides traction. The pads are thick and strong. They are heavily furnished with hair between the toes and pads. Hair between the toes and pads may be trimmed level with the underside of the pads for health reasons. The dog should stand well down on its pads.

Dewclaws - May be removed.

Hindquarters:

Legs - Well furnished, with well bent stifles and the hind legs are slightly longer than the forelegs.

Thighs - Relatively broad and well muscled.

Hocks - Low set and turn neither in nor out.

Feet - Same as forefeet.

Dewclaws - may be removed.

Coat:

Double coat. Undercoat is soft and woolly. Outer coat is profuse and fine but never silky or woolly. May be wavy or straight. Coat is long but should not hang to the ground. When standing on a hard surface an area of light should be seen under the dog. The coat of puppies is shorter, single and often has a softer texture than that of adults. A natural part is often present over the neck and back.

Faults - Lack of double coat in adults. Sculpturing, scissoring stripping or shaving are totally contrary to breed type and are serious faults.

Color:

Any color or combination of colors including white are acceptable to the breed. There are no preferred colors or combination of colors.

Gait:

The Tibetan Terrier has a free effortless stride with good reach in front and flexibility in the rear allowing full extension. When gaiting, the hind legs should go neither inside or outside the front legs but should move on the same track approaching single tracking when the dog is moved at a fast trot. The dog with the correct foot and leg construction moves with elasticity and drive indicating that the dog is capable of great agility as well as endurance.

Size:

Average weight is 20 to 24 pounds, but the weight range may be 18 to 30 pounds. Proportion of weight to height is far more important than specific weight and should reflect a well-balanced square dog. The average height in dogs is 15 to 16 inches, bitches slightly smaller. The length, measured from the point of shoulder to the root of tail, is equal to the height measured from the highest point of the withers to the ground.

Faults - any height above 17 inches or below 14 inches.

Temperament:

The Tibetan Terrier is highly intelligent, sensitive, loyal, devoted and affectionate. The breed may be cautious or reserved.

Faults - Extreme shyness.

Guideline For Responsible Breeders

Tibetan Terrier Club of America, Inc.

These guideline are established in accordance with the objectives of the Tibetan Terrier Club of America, Inc. and are set forth to protect and advance the interest of our breed by maintaining high breeding standards. The TTCA endorses and encourages all members to follow them.

A Responsible Breeder:

1. Abides by the Constitution and By-Laws of the TTCA and the rules of the American Kennel Club.
2. Maintains the best possible standards of canine health, cleanliness and veterinary care, and provides facilities for excellent pre-natal and post-natal care of the dam and puppies.
3. Maintains accurate breeding records, registration papers and pedigrees, furnishing each purchase with proper registration or transfer papers, unless written agreement is made at the time of sale that papers be withheld.
4. Makes sure all services and sales arrangements are mutually agreed upon, stated in writing, and signed by all parties involved.
5. Keeps all advertising honest and in no way intentionally misleading, fraudulent or misrepresentative.
6. Learns and understands the AKC standard of the breed, and breeds with the intention of conforming to it.
7. Breeds only with the intention of improving the breed, and of finding suitable, carefully screened, safe and loving homes for the puppies.
8. Chooses only healthy, registered parents of excellent temperament and qualities, x-rayed and eye-examined, resulting in eligibility for OFA and CERF certification, doing everything possible to prevent passing on devastating generic defects.
9. Breeds only mature bitches, preferably over two years of age, skipping a season between most litters.
10. Refuses to breed a stud dog or brood bitch to any animal which is not registered or is markedly inferior, physically or temperamentally.
11. Does not sell or consign Tibetan Terriers to pet shops or other commercial dealers, nor does he breed his animals to their animals.
12. Is as selective in breeding his stud dog as he is in breeding his brood bitch.
13. Does not donate Tibetan Terriers for raffles or auctions.
14. Honestly evaluates the quality of the Tibetan Terrier to be sold, and fairly represent that evaluation.
15. Requires puppy purchasers to spay or neuter all pets which for any reason may not be qualified to be used for breeding.
16. Acknowledges his responsibility for any dog he has bred for its entire lifetime and makes written arrangements for its return to him at any time the purchaser no longer wishes to keep it.
17. Does not release puppies to new homes before they are at least eight weeks of age and have been properly socialized.
18. Furnished complete details and feeding, general care, medical inoculations, grooming, pedigree, etc.

19. Insists in writing that the purchaser have the puppy checked by a veterinarian within 72 hours of sale, making clear that if the puppy is found to be unfit, it must be returned for either replacement or refund of purchase price.
20. Tries to assist the serious novice in his understanding of the breed.
21. Follows up on all puppies and adults after the sale to insure their continued care and to encourage the owners to become involved in pure-bred dog activities.
22. Conducts himself at all times in such a manner as to reflect credit upon himself, the sport of pure-bred dogs, and his Tibetan Terrier in particular.

Approved by vote of the Board of Directors of the Tibetan Terrier Club of America, Inc., 1987

Approved by vote of the Membership of the Tibetan Terrier Club of America, Inc., 1988.

The Tibetan Terrier Club of America, Inc., makes no guarantee with respect to any Tibetan Terrier acquired from or through any of its members.

The TTCA application for membership contains these guidelines and states that signing the application acknowledges the applicant has read them. Breeders who wish to be listed in the TTCA Breeder Referral Listings sign a copy of the Guidelines with a statement that they agree to follow them.

2014 Breeder Referral Participant List

Breeder Referral Basics

The TTCA maintains a breeder referral system which not only is of help to breeders looking to place puppies but, more importantly, to help folks looking for puppies to find reliable and responsible breeders who are members of the parent club. In order to assure potential buyers that the breeders who have chosen to be listed (advertise) on the TTCA Breeder Referral List are in compliance with the Breeder Referral health guidelines, we will now be asking those breeders on the list to provide, on an annual basis, verification of their compliance with the minimum basic health criteria of hip and eye clearances on the sires and dams of their litters.

Any TTCA member who wishes to remain on or be added to the TTCA Breeder Referral List, will be required to be a TTCA member in good standing for the preceding 2 (two) years and will need to submit the following on an annual basis beginning with litters born after September 1, 2005:

- 1) A signed and dated copy of the Breeder Referral Guidelines
- 2) The annual fee for being on the Breeder Referral List (currently \$35.00)
- 3) A list of all litters of which they are listed as breeder OR co-breeder which were whelped in the previous calendar year including:
 - a) Date of each litter whelped with
 - b) Registered name of Sire and Dam
 - c) AKC numbers of Sire and Dam
 - d) OFA hip clearances of Sire and Dam, or a PennHIP clearance*.
 - e) EYE clearances of the Sire and Dam within the previous 12 months submitted to the OFA registry.

If a breeder had or has a litter with a sire and/or dam that did not meet the health clearance requirements above (i.e., special circumstances), the age requirements (no dog or bitch will be bred before the age of two) or a breeder utilized a foreign sire and/or dam with foreign health registry clearances, then the breeder may submit a letter to the Breeder Referral Committee requesting an exemption for that particular breeding. Foreign health clearances must still meet or exceed the requirements applied by CERF, OFA or PennHIP. The Breeder Referral Committee will have the flexibility to allow a breeder to remain on the Breeder Referral List if they feel the exception is warranted. If the breeder does not agree with the decision of the Breeder Referral Committee, they may request their exception be presented to, and reviewed by, the TTCA Board of Directors.

HEALTH REGISTRIES 2014

CHIC

The Canine Health Information Center, also known as CHIC, is a centralized canine health database jointly sponsored by the AKC/ Canine Health Foundation (AKC/CHF) and the Orthopedic Foundation for Animals (OFA). It can be accessed online at

<http://www.caninehealthinfo.org/goals.html>

Data from individual dogs who have health testing recommended by the parent club for their particular breed is collected and entered (whether they pass or fail), with the consent of the owner, into a publicly accessible database. Individual dogs that have all the required testing performed are issued a “CHIC” number and certificate. The Tibetan Terrier Club of America is participating in this registry with results of the following tests being recorded:

- Hip Dysplasia Clearance (required)
Documentation – OFA certificate or PennHip certificate
- Eye Clearance (required)
Documentation – (Annual re-certification required)
- Congenital Deafness (required)
Documentation – OFA certificate based on BAER test
- Patellar Luxation (Optional)
Documentation – OFA certificate
- Elbow Dysplasia (Optional)
Documentation – OFA certificate
- Autoimmune Thyroiditis (Optional)
Documentation – OFA certificate from an approved laboratory

OFA information is supplied by those registries. There is a \$25.00 charge per dog (NOT per test) to submit results of other tests to CHIC if you wish to participate.

Further information, including a search feature, can be found on the CHIC web site at **<http://www.caninehealthinfo.org/goals.html>**.

The VOHR

Voluntary Open Health Registry

The purpose of the Voluntary Open Health Registry is to collect health and genetic information on Tibetan Terriers. The record of confirmed cases of specific health problems in Tibetan Terriers is published and available to breeders, giving them a reliable source of health information. It enables breeders to make informed and responsible breeding decisions based upon reliable information with the hope of reducing the incidence of health problems in the Tibetan terrier. The Tibetan Terrier Club of America, Inc., encourages ALL breeders and owners of Tibetan Terriers to participate in this registry. Any breeder, co-breeder, owner, and/or co-owner listed on the AKC Registration Certificate may submit an affected dog's name for inclusion in the registry. Dogs affected with the following conditions are eligible for inclusion in the Voluntary Open Health Registry: Cataracts, Deafness, Hip Dysplasia, Lens Luxation, Neuronal Ceroid Lipofuscinosis, Patella Luxation and Progressive Retinal Atrophy. All of the conditions are known problems in Tibetan Terriers and can be documented by objective testing.

The Registry contains the registered name of the affected dog, the AKC Registration number, sex, date of birth, and the condition diagnosed, as well as the names of the sire and dam of the affected.

Quarterly publication of new listings are made in the TTCA Newsletter. The Journal of the TTCA contains a full description and a complete listing of entered dogs as of the deadline for that publication in order to preserve a record for future breeders of Tibetan Terriers. Further information is available on the TTCA web site at <http://www.ttca-online.org>, or from VOHR Administrator Kim Ivie (kkivie@cvinet.net).

Cumulative TTCA Voluntary Open Health Registry

Cataracts

Partial or complete opacity of the lens and/or its capsule. The prudent approach is to assume cataracts to be hereditary except in cases known to be associated with trauma, other causes of ocular inflammation, specific metabolic diseases persistent pupillary membrane, persistent hyaloid nutritional deficiencies, or the use of corticosteroids and other drugs.

1. Woodruff's Moonbeam: NM431882/01; Male; 08/03/92. Cataracts. Sire: CH Su-Khyl Star Buck. Dam: CH Su-Khyi Woodruff Lorna Moon. Breeders: W. Wuesthoff and Linda W. Bell.
2. Ling Kor Idic Soong Ken-Imzadi; NM683709/03; Female: 07/03/96. Cataracts. Sire: CH Ling Kor's Dakini Buccaneer. Dam: Tsering Gartang-Chu Mingma. Breeder: S.R. White.

3. Sim-Pa Sweet Angel Face; NM799468/03; Female; 10/15/98. Cataracts.
Sire: CH Sim-Pa Major League Player. Dam: All that Glitters BJ.
Breeders: L. MacMinn and D. Murray.

Deafness

A BAER Test along with a statement of diagnosis by the veterinarian performing the BAER Test identifying the dog and stating if the dog is unilaterally or bilaterally deaf.

1. Classic Maverick; NP02403305; Male; 05/23/02. Bilateral Deafness. Sire: CH Shardous Black Jack Daniels. Dam: CH Classic Sprite. Breeder: Cassandra Benton.
2. CH Classic Surge; NM83244803; Male; 08/01/99. Unilateral Deafness. Sire: Shardous Johnny Walker Red. Dam: CH Ashantes Classic Sky. Breeders: Cassandra Benton and Dawn Schultis.
3. North Moon's Tashi; NP02584106; Male; 04/16/03. Unilateral Deafness - left ear. Sire: CH Sheydon's Cha-Shah. Dam: CH Mi-Chunju Jomo Cera. Breeders: Kathleen a Stanuch and Judith Gomez.
4. Rama Kha's Symbol of Strength & Valor; NP24464701; Male; 11/05/09. Bilateral Deafness. Sire: CH Sunclipse Becuz Chix Dig It. Dam: CH Kha-Ling's Bella Del Largo. Breeders: Frances Eve Kridakorn and Kittilax Apple Kridakorn.

Hip Dysplasia

A developmental disease of the canine hip joint caused by increased joint laxity, abnormal contours of one or both hip joint components or a combination of both. Hip dysplasia is a multiple genes, inherited disease.

1. Camelot's Karaja Kyi; NM631110/06; Female; 08/24/95. Hip Dysplasia. Sire: CH Camelot A Knight to Remember II. Dam: CH Camelot's Connect the Dots. Breeder: Marie Smizinski and Ron Smizinski.
2. Sunclipse Thunder of Ashlyn; NM809506; Male; 11/18/98. Hip Dysplasia (Unilateral). Sire: CH Atisha Regalia Red Alert. Dam: CH Ashlyn's Regalia Black Velvet. Breeder: Ron & Jan Jaramillo and Jeanette Chaix.
3. CH Woodruff's Desert Sun Revival; NP09098803; Female; 02/13/05. Hip Dysplasia (Mild Unilateral right). Sire: CH Woodruff's Ki Li Ki La. Dam: Woodruff's Bod-Kham Bessie. Breeder: Linda W. Bell
4. Sunclipse Wing Commander II; NP22048101; Male; 12/18/08. Hip Dysplasia (Mild). Sire: CH Cavu Sunclipse Icon. Dam: CH Sunclipse Cavu Divine Miss Q. Breeder: Ron Wiley.

Lens Luxation

Partial (subluxation) or complete displacement of the lens from the normal anatomic site behind the pupil. May be bi- or uni- lateral. Lens luxation not associated with trauma or inflammation is presumed to be automated recessively inherited.

1. Kathmandu's L'il Englishman; NS402808; Male; 06/26/77. Lens Luxation. Sire: CH Hope's English Tweed of Ti-Song. Dam: CH Kathmandu's Little Miss Mo-Mo. Breeder: Susan F. Mechem.
2. Loki's Tehdeh-Tu of Kathmandu; NS120858; Male; 07/21/72; Lens Luxation. Sire: Tehdeh Phurba of Shahi-Taj. Dam: Khata Khamiel of Shahi-Taj. Breeder: William O. Walsh.

3. Kathmandu's Ti Song Happy Hour; NS611361; Female; 11/23/79. Lens Luxation. Sire: CH Ryttergardens ChoCho. Dam: CH Kathmandu's Little Miss Mo-Mo. Breeder: Susan F. Mechem.
4. Ashante Meshack; NM718711/01; Male; 01/01/97. Lens Luxation. Sire: CH Charsu-Ashante Day Tripper. Dam: CH Ashantes I'm the One You Want. Breeders: Sharon Lewis and Jennifer Verville.
5. Ting Long Shin's Gol-Conda; NM451265/03; Male; 11/07/92. Lens Luxation. Sire: CH Ting Long Shin Dragon Dijon. Dam: CH Ting Long Shin Black Bambina. Breeder: Heike Marcello.
6. Auras Tar Baby of Regalia; NM533062/04; Female; 02/13/94. Lens Luxation. Sire: CH Atisha's The Moor of Africa. Dam: Regalia's Tulip of Aura. Breeder: Candy Rizkowsky.

Patellar Luxation

An abnormality of the stifle or knee joint leading to dislocation, partial or complete, of the kneecap (patella). With the exception of luxation resulting from trauma, patellar luxation is heritable or strongly suspected to be heritable.

1. Ting Long Shin's Gol-Conda; NM451265/03; Male; 11/07/92. Patella Luxation. Sire: CH Ting Long Shin Dragon Dijon. Dam: CH Ting Long Shin Black Bambina. Breeder: Heike Marcello.
2. Camelot's Karaja Kyi; NM631110/06; Female; 08/24/95. Patella Luxation. Sire: CH Camelot A Knight to Remember II. Dam: Camelot's Connect the Dots. Breeders: Marie Smizinski and Ron Simizinski.
3. Mi-Chunju's Lady Liberty; NM928764/02; Female; 01/23/02. Patella Luxation. Sire: Rje-Bo's Sam Che-Po Seng-Ge. Dam: CH Chuba Pepper. Breeder: Judith Gomez.

Progressive Retinal Atrophy (PRA)

A degenerative disease of the retinal visual cells which progresses to blindness. This abnormality, in all breeds studied to date (exception Siberian Husky) is inherited as an autosomal recessive trait. Late onset (8-10 years) along with other neurologic symptoms may indicate Ceroid Lipofusinos, also an inherited disease.

1. CH Hollywoods Santas Lil Yelper; NM523053/03; Female; 12/21/93. PRA. Sire: CH Hollywoods Magic Merlin. Dam: CH Hollywoods Bubbleyun. Breeders: Marjorie Veerkamp and Sally Throckmorton.
2. CH Hollywoods Frosty the Snowman; NM523053/04; Male; 12/21/93. PRA. Sire: CH Hollywoods Magic Merlin. Dam: CH Hollywoods Bubbleyun. Breeders: Marjorie Veerkamp and Sally Throckmorton.
3. Kathmandu's Christmas Punch; NS951259; Male; 12/23/83. PRA. Sire: CH Hardacre Marengo. Dam: CH Honiego's Midnight Extacy. Breeders: Susan F. Mechem.
4. Cinnamon's Brown Sugar; NM646195/02; Male. 12/12/95. PRA. Sire: CH Barnstorms Patch of Tasha. Dam: Ganden's Cinnamon Sugar. Breeders: Madalyn Maguire and Debra Sutherland.

Canine Ceroid Lipofuscinosis (CCL or NCL)

Tibetan Terrier Club of America Voluntary Open List

Canine Ceroid Lipofuscinosis (Also known as Neuronal Ceroid Lipofuscinosis) is an inherited neurological disorder affecting Tibetan Terriers for which there is no known cure. It is a multi-systemic storage disease thought to be caused by an inborn error of metabolism. This metabolic error results in the accumulation of storage bodies thought to affect the ability of nerve cells to function.

CCL (NCL) in Tibetan Terriers has been characterized by manifestation of at least some of the following symptoms and diagnostic observations:

- decrease in or loss of vision, particularly in dim light
- changes in dark adaptation
- ataxia, a loss of normal muscular coordination and movement, often associated with an irregular gait, loss of balance, and a roaching of the back
- a progressive Alzheimer's-like dementia, which can include difficulty adapting to changes in environment, confusion, aggressive behavior
- seizures in the advanced stages of the disease
- magnetic resonance Imaging (MRI) changes
- an accumulation of storage bodies within the brain, retina, and other tissues, observable with fluorescence and electron microscopy.

It is considered to be a simple autosomal recessive disorder.

More information about the storage disease NCL/CCL in Tibetan Terriers including symptoms, current research, and blood sample submission can be found at:

http://www.caninegeneticdiseases.net/CL_site/basicCL.htm
http://www.caninegeneticdiseases.net/CL_site/CLforms.htm

The TTIS also maintains a listing of Tibetans which have been diagnosed either by conjunctival biopsy or necropsy at:

<http://www.tibetanterrierinternational.se/holdme.htm>
(click on THS list and then go to CCL listing)

A diagnosis of NCL has been confirmed for the following Tibetan Terriers by Martin L. Katz, Ph.D., of the University of Missouri, using fluorescence microscopy and EM (electron microscopy) to confirm inclusions in neural and retinal tissue obtained at necropsy. This list includes only dogs whose owners or breeders have voluntarily agreed to release this health information.

QUASAY Agility Ranking System

The QUASAY system ranks dogs on the following criteria:

#1 - Number of Qualifying Scores

The highest number of Qualifying scores is ranked highest. Example: 3 Q's is ranked higher than 2 Q's.

#2 - Average Score

If there is a tie for the highest of Qualifying Scores, then the highest Average Score of those Q's is ranked highest.

#3 - Average Yards per Second

If there is a tie for the highest number of Qualifying Scores and the highest Average Score, then the fastest Average Yards Per Second is ranked highest. Yards Per Second are computed by dividing the course yardage by the dog's time, resulting in the speed that the dog ran the course.

2014 Rally Rankings

AKC Rally provides a link from the Canine Good Citizen® (CGC) program to obedience or agility competition, both for dogs and handlers. In addition, rally promotes fun and enjoyment for dogs at all levels of competition.

Delaney System Rally Ranking

All the dogs who placed 1-4, regardless of class, were combined in one ranking, the ***Delaney System Ranking***. Each dog who placed received 1 point for each dog they defeated. The points were totaled at the end of the year and the dogs ranked according to number of points.

In Loving Memory of Swayze

*CH Kha-Ling's Dirty Dancing, ROM
December 15, 1997 - March 10, 2014*

Swayze was our first show girl, and what adventures we had! She became an American, Mexican, Bahamas, Americas, and World Champion, yet she was one of the sweetest dogs on the planet. She was a great mom and was awarded #1 Brood Bitch at the 2005 TTCA National, but she was always #1 in our hearts. Her legacy lives on in multiple generations of Champions and Grand Champions, and though she was with us for over 16 years, we still weren't ready to say goodbye. Rest in peace, sweet Swayze. We're forever thankful for having you in our lives.

lost her fight with cancer on February 24th, 2014. She was my princess, my heart dog, the love of my life. She was a special girl who loved everyone and was sure that everyone loved her as well. She will be forever missed by myself and my family.

Rest well Princess,
I will see you again and
I will love you forever.

Bouncer

Barnstorms Bouncer was 2-3 years old when he came to live with my Dad. He gave us all plenty of laughter, joy and peace, alone or with my Dad's nasty and vicious cat. They zoomed around his house every evening, then exhausted, they cleaned each other's face and ears and slept next to each other.

Bouncer died in the spring, at almost 16 years old. He brought love, joy and peace and comfort to my father. My Dad, Bob Mills, had dogs throughout his life — he said Bouncer was the absolute best.

Thanks to Pat and Denny Bernardo for the love and devotion of Bouncer — my Dad is now with him again.

Ch. Barnstorm's Cinder of Talex

4-13-1997 to 6-9-2014

Little Cinders was known as Mrs. Cin-A-Bun. She finished her championship in no time at all. She was always remembered for her bossy little nature which made her a lovely show dog. As she got older she too became a little bed bug, always hogging the pillow. She was a funny little girl and brought much joy to us over the years. She is survived by her daughter Ashton and Grandson Gee-Man.

We will miss her always. We will miss her always.

CH Barnstorm's Bright Shiny Day

8-16-2000 to 3-3-2014

Brighton, was a great champion, an amazing mother and a wonderful companion.

She was a natural in the show ring, just like her father Profit and mother Samantha.

She showed herself... You just needed to carry the leash!

She was also Best Brace at the TT National Specialty with her daughter Clover. They were like watching one dog. We lost our Brighton March 3, 2014.

We miss her everyday. She was our Bright Shiny Day.

Thanks Denny and Pat for sharing her with us.

Gunnie Bear

CH Tersana's First Wish

11/3/2003 – 6/16/2014

My heart is broken, a piece of my soul is gone and I can barely breathe. My Gunnie Bear, died suddenly on June 16th, 2014. Gunnie was the best ambassador to the breed anyone could ever ask for — everyone who visited me for a rescue or a puppy wanted to take him home. I am so truly blessed to have had him in my life these past 10-1/2 years and there will forever be a hole in my heart.

Rest Easy — Boyfriend — until we meet again.

The Bandit King

GCH Salishan Alilah Bandito RE

Bandit had a great time showing this year and ended 2014 ranked 8th in Breed points. He exhibits remarkable breed type and personality. He has a protective double coat for the New England winters and the agility to maneuver on the rocky breakwater jetties of Southern California. While at times exhibiting the characteristic mischievousness of our breed, he loves to travel and meet new friends, both two and four legged. Above all he is a loyal, devoted and affectionate family member.

These achievements have been earned without requiring the “face” presence of notable TT professional handlers — but proudly owner handled.

Additionally proud that they were exhibited reflecting the visual expectations put forth in the standard of the breed: not scissored, not sculptured, nor stripped, nor shaved.

at Kiara!

Jose

In the 30+ years as a fancier of the breed, all required health checks available have been conducted to insure that not only beauty, type, and temperament are considered in breeding successive generations, but good health as well. OFA has pages and pages of Kiara statistics.

I have only endeavored to participate in the conformation rings in all those years. But as the TT continues to evolve into something very different than its thousands year old self, I look elsewhere to be enamored of the breed. I applaud those who also take the time to develop and enjoy their inner talents. Hopefully I will learn how to participate myself so that I might continue with my journey.

I applaud and envy the fanciers who can engage their beautiful TTs in the myriad of performance activities. Jane Goodell, Travis Brock's Mom, has enriched Cooper's life with many activities he loves to share with her. It's a real team effort between the two. And the real prize — no matter how many tangibles, ribbons, or points toward something garnered — is the happy exchange visually noticeable after the feat has been attempted. Thank you Jane for giving Coop this added life experience. Because of watching Jane and Coop, I have started to attend a local agility class in which another of my TTs is enrolled. I love watching her race through a program with ease... the supporting human partner trying to keep up so that direction can be properly understood. So thinking now, which one of my TTs might do well in this endeavor.

Coop has also done well in the whelping box. The inset photo is Coop's daughter, the beautiful Gracie. She is owned and bred by Carol Adams.

Cooper is truly Versatile.
